# ABOUT I'MENU

I'Menu - where a simple snapshot transforms your dining adventure into an extraordinary delicious food journey.
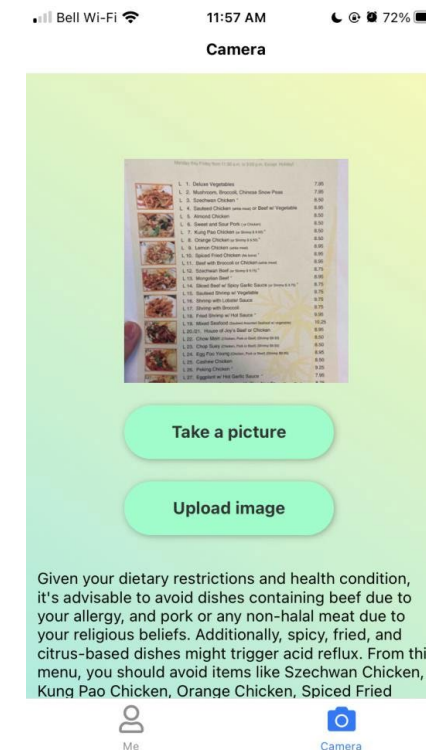

# APP DEMONSTRATION

STEP 1

STEP 2

STEP 3

# MISSION

1. Help people with medical history and minority communities

2. Increase food diversity

3. Promote cultural integration

# HOW WE BUILT ?

## FRONT-END

- Design a user-friendly mobile app interface
- Developed a user profile system within the app

## BACK-END

- Utilize the OCR technology
- Database Integration
- Recommendation engine

## TEST

- Test using different components

## DEPLOY

- Deploy the application

# NEXT STEP

**Feedback and Rating**

**Security and Privacy**

**Collaborate with restaurant**

THANK YOU :)
